

MARKET STALL APPLICATION PROCESS

JOIN OUR MAILING LIST

Register as a Stallholder

First step for stallholders is to fill out our Stallholder Application Form on the STALLHOLDERS page of our website. This gives us all of your information and you only need to fill out once. You will then go onto our Mailing List. When we launch our markets we email our mailing list with what to do to apply for a position at our market.

APPLYING FOR A MARKET

Fill out the Market Date Registration Form

If you would like to apply for one of our markets you then go to the applicable market page on the website and fill out the Market Date Registration Form. If there is no form on the page it means the market is Full.

APPROVED OR DECLINED

How you will know

Due to the number of applications we receive, it is impossible for us to reply now if you have been declined for a market. If you are declined it could be that we have only 1 product per category or your product may not fit with the audience. If a market is full we will email the database to notify everyone.

APPROVED

You will receive an Invoice

You will know you been approved for a market when you receive an Invoice from SQUARE, our automated invoice system, which will have details of what you are being invoiced for. All information regarding the market will be on the Website.

FINAL MARKET INFO PACK

Text Message Link to Stallholder Login Page

All Markets have a Stallholder Login Page on the website. Approved Stallholders receive a TEXT Message with the link and password 7 Days out from the market which has all the info you require. Please be aware this does not come via Email.
